

Interior Design

University of Edinburgh

Venues

Central Campus

Content

Interior Design practice involves the reuse of existing buildings and places to reinvent them to support a new range of activities. Central to this is making sure they are fit for purpose in terms of human occupation, inclusivity and accessibility, as well as reducing the environmental impact of buildings.

Having a responsive attitude to the diverse social issues people face is key to our discipline. By this approach, we make sure the interiors we create positively impact the lives of those who use and inhabit them.

Start Date

September

Qualification

Degree

Study Method

Full time

Award Title

BA Hons

UCAS Code

W250
