

Criminology and Sociology

Abertay University

Content

This thought-provoking Criminology and Sociology degree covers everything from addiction and criminalisation to human rights and death. You'll learn how to think critically about how people engage and interact with the world around them.

Criminology and Sociology is a flexible degree. For the first two years, everyone studies the same curriculum. In years three and four our academics help you explore areas such as: Gender, crime and victimology; Race and ethnicity; The process of criminalisation; Human rights and politics.
