

Criminology and Sociology

Abertay University

Content

You'll be at the forefront of the critical social debates defining the 21st century, learning how crime is defined, controlled and regulated in modern society. You'll cover everything from addiction and criminalisation to human rights and climate change.

There's a work placement option, giving you valuable real world experience and networking opportunities. External speakers form a key part of the course. Abertay aim to give you all the essential skills you need to move straight into employment or onto further study.

This is a flexible criminology degree, so you can tailor your studies to suit your career plans.
