Content

HNC Healthcare Practice is the new name for the HNC Care and Administrative Practice course.

This course is suitable if you want to pursue a career in nursing and other health-related fields. It combines the required academic knowledge with the skills and competencies gained from a clinical placement within the NHS. This qualification is also suitable if you want to work as a Health Care Support Worker.

Content includes:

Clinical Skills for Care Practitioners; Professional Standards for Care Practitioners; Safe Working Practice for Care; The Human Body in Health and Illness; Sociology and Health in Scotland; Graded unit.
