

Computing (Advanced Entry)

Edinburgh Napier University

Venues

Off campus

Content

This computing course enables you to 'top-up' your existing qualifications to the internationally recognised 'bachelors degree' classification if you have an HND or an undergraduate level certificate, diploma or equivalent, in computing or a closely related field.

You will gain an understanding of computing tools, techniques and practices across a range of application areas.

Delivered fully online (part-time) means you can study at a pace and place that suits you.

Start Date

September

Qualification

Degree

Study Method

Distance and Flexible learning

Award Title

BSc

Course Length

12 - 24 months

Department

Computing

Entry Requirements

2025 entry requirements

Relevant HND.

SCQF Level
