# Sports Rehabilitation (3rd year entry)

City of Glasgow College

## Venues

City Campus

## Content

The BSc (Hons) Sports Rehabilitation has been developed in response to increasing demand from graduates of the HND Sports Therapy for a programme that will allow them to develop a broader understanding of the prevention and management of injury and disease in an exercise and physical activity context.

Within Scotland this course is unique. It is the only programme offering an Honours degree in Sports Rehabilitation accredited by the UK regulator and professional body for Sports Rehabilitation. The BSc (Hons) Sports Rehabilitation has been developed in response to increasing demand from graduates of the HND Sports Therapy for a programme that will allow them to develop a broader understanding of the prevention and management of injury and disease in an exercise and physical activity context.

Graduates will have the capacity to integrate critical thinking and professional behaviours in order to deliver person-centred, evidence-informed care.
