

Prince's Trust: Introduction to Animal Care

New College Lanarkshire

Venues

Coatbridge Campus

Content

This introductory course offers students the opportunity to study a range of employability and Animal Care subjects.

You should consider this course if you have never studied specific science subjects before in school or if you looking to gain confidence and qualification before progressing to further animal care programmes.

If you're unemployed and between 16 and 25, you can meet new people, gain new skills and qualifications on the nationally recognised Team programme. Team is completely free and won't affect your Job Centre benefits. Travel and lunch costs are covered and you may apply for EMA or bursary

This introductory course offers students the opportunity to study a range of Animal Care, IT, employability and customer care topics.
