

Engineering Practice

Dumfries and Galloway College

Venues

Dumfries Campus
Stranraer Campus

Content

This award is designed for suitably qualified school leavers or mature learners who have an interest in engineering and wish to gain employment in the engineering industry as a Mechanical Technician, Electrical Technician, Fabrication Welder or an Engineering Maintenance Technician. This award is also suitable for anyone with an interest in Multiple Skilled crafts. Successful completion of the award also provides a sound foundation for anyone who wishes to study engineering at higher level.

The course seeks to combine the development of practical skills with underpinning knowledge to enable successful candidates to develop and sustain a career in the engineering industry or to study at higher level.

Start Date

August

Qualification

NC
