

Beauty Therapy (Level 6)

Borders College

Venues

Scottish Borders Campus

Content

This award allows students to study and gain knowledge in how to carry out a wide variety of beauty therapy treatments. Students will study a range of units, which include Beauty Facial Techniques, Beauty Facial Treatment Packages, Body Massage Wellness Therapies. To support this practical work, theory sessions will also be delivered. Commercial Experience and Core Skills for working in the beauty industry are essential, timetabled parts of this course. Students will be required to provide clients for assessment.
