Scottish Borders Campus

Content

The HNC Healthcare Practice course is designed to prepare you for employment in the health care sector as a Health Care Support Assistant or to advance to university for nursing studies.

This course combines academic knowledge with clinical skills practice during an NHS placement, helping you develop the competencies needed for practice.

This HNC provides the first year of Nursing training qualification that offers a range of possible progression routes to degrees or education for Professions Allied to Medicine.

Full-time placement work is allocated in 3 separate blocks throughout the academic year. An Edinburgh Napier University Student Nurse uniform and badge is provided for placement work.

Start Date

August

Qualification

HNC

Study Method

Full time

Course Length

36 weeks

Department

Care and Education
