Motherwell Campus

Content

This popular course allows students the opportunity to study towards Higher English and National 5 qualifications, which are required for GTCS registration. These will be externally assessed by SQA in May 2025. Students will also study an exciting range of relevant subjects such as British Sign Language and Psychology to prepare them for a career in Education.

As part of this course, students will be signposted to volunteer opportunities to gain experience working within the community.
