

AAT Professional Diploma in Accounting (Level 8)

West Lothian College

Content

The AAT Accounting Qualifications provide practical, internationally recognised finance and accountancy skills that can open doors for you in any industry across the world.

AAT's short qualifications provide a solid foundation in bookkeeping and accounting software, acting as a good starting point if you're new to these subjects.

This course covers high level accounting tasks including financial statements, managing budgets and evaluating financial performance. You may also be able to specialize in areas such as tax/auditing.

The units covered are as follows:

Management Accounting: Budgeting; Management Accounting: Decision and Control; Financial Statement of Limited Companies; Accounting Systems and Controls; A Choice of options unit such as auditing/tax.
