Content

Prepare yourself for the world of work by learning your skills in state-of-the-art salon facilities. Our highly qualified lecturing team continue to work with industry specialists such as Toni & Guy, Wella and many other leading brands to allow them to deliver the most relevant Industry standards. They also have extensive business experience as salon owners and freelance stylists.

Graduates from the course have gone on to work for sector leading salons and industry names. The College work exclusively with Wella and are stockists of weDo/ Professional, Wella's eco-ethical brand of natural haircare products. Partnered with Bridge2Business you will not only get the skills to set up as qualified stylist but with the business knowledge and social media skills to excel in the industry.
