

Health and Social Care (Access to Nursing) (Level 6)

UHI Orkney

Venues

Kirkwall
Virtual Learning Environment (VLE)

Content

This Health Care full time course has been developed for students hoping to enter a career in Health Care and in particular Nursing.

This stimulating course provides students with the opportunity to study health and social care related subjects at Higher level.

Students enjoy a mixed course of theory and practice both in college and in a placement to suit their chosen specialism.

Access to Nursing courses are designed to enable students to gain the necessary qualifications to progress to university to study a degree in nursing. These courses are suitable for school leavers who require top up qualifications and for mature students who have been out of education for a while.
