Content

Are you confused about the future? Are you ready to make changes but you don't know where to start? If you are not currently in education, employment or training or if you've just left school, one of these full-time courses will bring you into the college environment and give you skills, qualifications and confidence which will help you design your future.

This full-time course runs for all of the academic year; September to June. It has been designed to give you the opportunity to try the wide range of practical subjects that the college offers. You will gently but steadily build study and essential skills as you progress in qualifications between levels 3 – 5. Your Personal Development will increase your self-confidence and help you to take more control of your future.
