Foundation Degree of the Arts - Esports and Creative Industries (Year 1)

Dundee and Angus College

Venues

Gardyne Campus

Content

This new 2-year Foundation Degree is the first of its kind in Scotland, and it will help you develop the skills you need to build a career in esports.

Esports is not just about playing games competitively; it is an exciting, multidisciplinary industry that requires diverse skills.

In the first year, you will study:

Introduction to digital marketing; Esports culture and context; Gameplay principles and strategies; Introduction to esports wellbeing and performance; Working in the creative and digital industries.

This Foundation Degree is similar to HNC/SCQF level 7 in year one and HND/SCQF level 8 in year two and is validated by the University of West London (UWL).
