

Professional Education (Secondary) with Physics (Teaching) (in conjunction with Stirling Uni)

Forth Valley College

Venues

Falkirk Campus

Content

This course is designed for students who wish to pursue a career in physics teaching, at secondary school level. Taught in collaboration with the University of Stirling, students will spend two years at Forth Valley College studying modules from HND Applied Sciences before participating in two years of initial teacher education at the University of Stirling, alongside physics student teachers. The course includes school placements to develop confidence and experience in a classroom environment.

Start Date

August
