

Introduction to Social Sciences

Dundee and Angus College

Venues

Arbroath Campus

Content

If you are curious about the world around you, how people think and act as individuals and as members of society, then this level 4 course is for you.

This course introduces you to a wide range of Social Sciences subjects including Psychology, Sociology, History and Geography.

In this course, you will also develop skills that are essential for study and employment such as ICT and communications. Progression to Certificate/Level 5 study at D&A will depend on successful completion of all units, performance, attendance and reference.
