

Certificate: Broadcast Media

Fife College

Venues

Glenrothes (Stenton) Campus

Content

Whether you're a complete beginner or have some basic experience, during this course you will learn how to create content that you will be proud of. You'll do this through hands-on projects; you will work in small groups or on your own with creative projects; you'll pitch your ideas and showcase the final output.

You'll gain recognition for hard work, problem-solving, teamwork and especially so where you've applied your talent and skills in a uniquely positive way.

You will be assessed through completion of projects with a relatively small amount of written work that supports your practical activities. There are no exams on this course.
