

Greek Studies

University of Edinburgh

Venues

Central Campus

Content

In MA Greek Studies, you will study ancient Greek language and literature, along with courses that establish the wider context of the ancient Greek, Roman and Byzantine world.

Ancient Greek is the language in which many of the basic concepts underlying western society were expressed for the first time. Ancient Greek culture and thought are at the root of many strands of modern thinking in Europe and beyond.

On this programme, you will receive advanced and robust training in ancient Greek. You will have the opportunity to read texts from archaic Greece down to Late Antiquity and Byzantium in various contexts, including: political; religious; and philosophical.

You will also be able to take other courses on the history and culture of the Greek-speaking world.

Start Date

September

Qualification

Degree

Study Method
