

Media and Communication

Fife College

Venues

Glenrothes (Stenton) Campus

Content

This course is for people who want to develop their Media Production skills and join the world of content creation. Whether you're looking to take your radio shows, vlogging, podcasting, or livestreaming to the next level.

This course will further develop the knowledge and skills from the HNC Media & Communications course giving you; a more advanced look at presenting, advanced production and editing, and more by surrounding it with context on; how the media industries in the UK operate, and how you can find a place within it, no matter what avenue you wish to pursue.

You will study:

Promoting and pitching; Social media; Communication theory; Research skills; Oral presentation; Editing and proofreading text; Interviewing skills; Writing for the media; Media law.
