Sighthill Campus

Content

This course is for people who speak English as a second language and are living in the UK on a permanent or long-term basis. The National Certificate (NC) in ESOL for Employability are nationally-recognised qualifications that improve language and employability skills and will help you to integrate into Scottish life. This course allows progression into employment, Higher ESOL, or further study at Edinburgh College. This course will improve your English and your chances of getting a job.

During this 36-week course, you will attend college for 16 hours a week. You will complete core skills units and a two-week work placement. You will speak, write, listen, and read about yourself, your life, and your career. You will work on grammar, vocabulary, and pronunciation and improve all your language skills. You will also learn about the history and culture of Scotland and the UK and you will research the Scottish job market and write a CV. You will develop your study and organisational skills and meet regularly with your course tutor to look at your progress in all areas of the course and to focus on your next steps in your studies or employment. You will do a lot of learning in pairs and groups but most of the assessments will be individual.

**** Please note, applications for this course open on 9th April 2025 ****
