

## Data Science (NPA) (Level 5)

Fife College

### Venues

Dunfermline (Halbeath) Campus

### Content

Data Science is fast becoming an essential part of how we live, learn and work, including the demand to have data science as an employability skill. More and more employers are seeking applicants with experience and skills in data science.

Data is being collected and stored in databases everyday, but often not analysed or used. This is where data science comes in, to reveal trends and produce insights for businesses to use, allowing them to make better decisions and create more innovative products or services.

You will study:

Data Security; Data Science; Data Citizenship.

### Start Date

August

### Qualification

Other

### Study Method
