Content

This 18-week fast-track course delivers intensive, hands-on barbering training. You'll work with industry barbers and Glasgow Kelvin College lecturers to build the practical and professional skills needed to launch your career.

MADE @ Kelvin is a recognised training brand with a proven record of producing confident, salon-ready barbers. Delivered in our barbershop at Springburn Campus, you'll develop your cutting, styling and client-care skills while gaining a City & Guilds qualification that's respected across the industry.

The fast-track model is ideal for learners who are ready to commit fully and progress quickly. You'll train intensively over four days per week, developing both technical ability and personal discipline, with theory, practical sessions, and client-based experience forming the foundation of your learning.
