

Archaeology and Ancient History

University of Edinburgh

Venues

Central Campus

Content

Combining the study of ancient history with the theory and practice of archaeology, this interdisciplinary programme offers the opportunity to explore the ancient civilisations of the Mediterranean with a particular emphasis on Greece and Rome.

You will gain the historiographic and archaeological skills required to understand past societies, including: the analysis of literary sources; understanding of ancient buildings and forensic evidence; and learning ancient and modern languages.

Start Date

September
