

Access to Early Learning and Childcare (Level 5)

Glasgow Clyde College

Venues

Anniesland Campus
Cardonald Campus
Langside Campus

Content

This course will help you develop your skills and understanding of working with children. It's a great introduction to all aspects of early learning and childcare, offering a mixture of theory and practical activities including child development, play, families and collaborating with others. You'll build your knowledge, have fun, and start your journey towards becoming a registered practitioner.

Some of the subjects you will study may include:??

Child development; Play in early learning and childcare; Contemporary families; Working with others.
