

Creative Media Production and Technology Diploma Level 3 (UAL)

Edinburgh College

Venues

Sighthill Campus

Content

This course will suit people who want to develop their own creative practice, or who are interested in working in a range of creative media professions.

On successful completion of the course students may wish to pursue further studies in Creative Industries such as Television and Film, Digital Journalism, Audio Visual Technology, Television with Multi-camera Operation, Sound Production, Visual Communication or Graphic Communication and Design.

The awarding body for the qualification is the internationally recognised and highly regarded University of the Arts London (UAL). On successful completion of the course you will attain a Level 3 Diploma in Creative Media Production and Technology which is equivalent to SCQF Level 6 (Higher).
