

Creative Media Production and Technology Diploma Level 3 (UAL)

Edinburgh College

Venues

Sighthill Campus

Content

The course is delivered at our award-winning Creative Industries media school at the Sighthill campus, with access to sector-leading facilities including a fully functional TV studio/green screen, video editing rooms, brand new Mac editing suites running all industry software (Premier Pro, Full Adobe Suite, Final Cut, AVID, Pro-Tools), and sound recording studios. Students can book our facilities and also sign out an extensive range of professional equipment.

The structure of the course is project-based to reflect current industry practice and involves several projects exploring technical and creative roles in the current Media industry. With a focus on collaboration across the wider creative industries and developing a portfolio of work, the course equips students for higher study, training and employment in a rapidly developing sector at an exciting time.
