

Fabrication and Welding

Glasgow Clyde College

Venues

Anniesland Campus

Content

SVQ Level 2 Fabrication and Welding covers the fundamental principles required to work in the fabrication, welding and shipbuilding sectors. If you are considering a career in engineering, and in particular a multi-disciplined fabrication and welding route, then this course is for you. As a STEM Assured College, we have a renowned reputation for engineering with cutting edge technology and staff to support this.

The SVQ Level 2 forms part of the modern apprenticeship framework, providing the potential to be an attractive prospect for companies when applying for an engineering apprenticeship.

Start Date

August

Qualification

SVQ

Study Method

Part time (day)

Award Title

at SCQF Level 5

Course Length

2 years

Department

Fabrication and Welding
