Musical Theatre (2nd year entry)

Glasgow Kelvin College

Venues

Easterhouse Campus

Content

Building on the foundations of Year 1, this advanced course deepens your creative and technical training across acting, voice, singing, dance and movement, preparing you for professional performance or further study at conservatoire or degree level.

You'll take on more complex and challenging projects, performing in public productions and collaborative works that reflect real industry practice. Guided by our industry-experienced Performing Arts faculty, you'll refine your artistry, versatility and confidence through a combination of creative rehearsal processes and professional performance experience.

Course topics include subjects such as:

Acting techniques; Singing techniques; Dance techniques; Production and performance techniques; Professional development and etiquette; Live performance techniques; and, Theatre making technique.
