Photography - Portfolio Production (Level 6)

Glasgow Kelvin College

Venues

Springburn Campus

Content

This one-year, full-time course is designed for learners who want to take their photography skills to the next level — developing a professional portfolio that demonstrates creativity, technical skill and personal style.

Guided by award-winning Photography lecturers, you'll explore the art of visual storytelling through advanced projects that challenge your imagination and refine your craft. The course provides a vibrant and creative experience that balances practical learning with critical thinking and research — preparing you for progression to HND Photography or for entry into the creative industries as a practising photographer.

Units include:

Photography: An Introduction; Basic Camera Techniques; Photo - Reportage; Portraiture Skills; Portfolio Production; Research Project; Product Photography.
