

Coaching and Development (Football)

Glasgow Kelvin College

Venues

Springburn Campus

Content

Football coaching is a key aspect in the expanding football industry across the UK, from grass roots level to high performance sports, both female and male.

This qualification will help you pursue a career in Football Coaching.

The programme is designed in partnership between Glasgow Kelvin College and Glasgow Life Football Development Department. You will work alongside College and industry staff to complete your programme of study through embedded experience of work.

When you successfully completion of your HNC, you will be offered a guaranteed interview for a coaching role within the Glasgow Life Football Development Department (subject to meeting all criteria and availability).
