Content

This very popular course will develop your professional skills and get you ready for employment in a variety of roles including stage, screen, streaming or use of voice e.g. voice overs/podcasting etc. Developing the core professional skills of acting, movement and voice, you will engage in practical projects leading to small and larger scale performances.

The HNC is aimed at those who have some previous experience of theatre arts and performance; perhaps through a lower-level course, or interest developed in our incredibly popular Youth Theatre courses, or through participation in amateur dramatics.

You will study:

Movement 1: Developing Skills; Acting 1: Developing Skills; Production 1: Developing Skills; Voice 1: Developing Skills; Acting and Performance: Graded Unit 1.
