Performing Engineering Operations - Electrical route

North East Scotland College

Venues

Aberdeen Altens Campus
Fraserburgh Campus

Content

Aimed at all ages, including school leavers and those returning to education, the SVQ provides you with highly practical, vocational training.

The SVQ Level 2 PEO qualification forms a mandatory part of an engineering Modern Apprenticeship.

At Aberdeen Altens
The primary focus of this qualification is to provide practical, vocational-based training in:
Wiring and testing electrical circuits and programmable controller systems; Maintenance of electrical equipment systems; Electronic assembly and testing; Mathematics project.

At Fraserburgh
The primary focus of this qualification is to provide practical, vocational-based training in:
Electrical installation (BS 7671 standards); Electrical equipment maintenance; General electrical and electronic applications; Programmable logic controllers – inclusive of basic automation; Producing engineering drawings using Computer Aided Drawing (CAD).

Start Date

August

Qualification

SVQ

Study Method

Full time

Award Title

at SCQF Level 5

Course Length

1 year

Department

Engineering

Entry Requirements

National 4 Maths. Interview and aptitude test.

SCQF Level

5
