

Photography with Digital Media (Level 6)

South Lanarkshire College

Content

Unlock your potential in the world of photography and creative digital media! On this course, you will learn how to use a digital camera like a pro and master the art of managing your digital files. Plus, you will get a solid introduction to post-production with Adobe Photoshop to take your images to the next level.

What you will also learn:

Camera Techniques; Video, Audio Recording and Editing; Studio Photography and Techniques; Portraiture and Still Life Photography; Digital Imaging and use of AI; Portfolio Production.

But that's not all. You will also work on collaborative projects, and get the chance to showcase your work at an exciting end-of-year exhibition. Perfect for those who want to grow their skills and build a creative portfolio.
