

Access to Medical Sciences (SWAP)

Glasgow Clyde College

Venues

Cardonald Campus

Content

Access to Medical Sciences is run in partnership with the Scottish Wider Access Programme (SWAP) and is designed for adults who are thinking about returning to education after a break of at least three to five years to study medicine, dentistry, vet medicine or pharmacy.

This is an academically demanding course and previous study of Biology, Chemistry and Maths at Higher level is needed. If you successfully complete the course, you'll meet the academic entry requirements to study medicine at related pathways at partner universities.

The programme is a combination of Biology units ranging from SCQF Level 6 – 8, Chemistry units from SCQF Level 5 – 6, Higher Maths units and Communications 4/ Literature 1.

You will also complete a module designed to develop the academic skills necessary for studying at university.

Start Date

August

Qualification

Access to FE/HE

Study Method

Full time

Course Length

1 year

Department

Science

Entry Requirements

Due to the high level of Chemistry and Biology you will be expected to have some appropriate recent qualifications in these subjects and at least Maths at National 5, or equivalent.

Entry to the programme is subject to interview and satisfactory performance in an entrance test covering basic Biology, Chemistry and Maths knowledge at National 5 / Higher level.
