Langside Campus

Content

This in-depth course, created in line with the Chartered Institute for the Management of Sport and Physical Activity (CIMSPA), will help you on your way to becoming a qualified sports coach.

It covers principles like sports development, anatomy, nutrition, injury prevention and rehabilitation for players and athletes, as well as practical coaching skills, which you'll learn by coaching a diverse range of groups and sports throughout the course. Along the way, you'll gain recognised National Governing Body awards which will help you on your way to a successful career.

Subjects covered include:

Sports development 2; Sports coaching practitioner: knowing yourself 2; Sports coaching practitioner: knowing others 2; Sports coaching practitioner: knowing coaching 2; Sports coaching and development: graded unit 2; Physical preparation for sports performance; Psychology of sport and exercise; Current exercise trends.

Please note: that all students will have to purchase a college sports kit at a cost of approximately £50.
