Preparing to Work in Health and Social Care (Level 5)

West Lothian College

Content

If you are interested in developing the knowledge and skills needed for working in the health and social care professions, then this course will give you the preparation needed to either secure employment or progress onto a relevant Level 6 course at college.

You will explore health and wellbeing and influences on mental health.

In addition, you will have other subjects that will further your understanding of what working in care involves. As this course prepares you to move to a L6 course you will also complete a couple of units that relate to biology topics.
