

Route to Health Professions (Level 6)

West Lothian College

Content

If you are looking to pursue a career in a health profession which is both challenging and rewarding then this course is for you. You may be a school leaver who as yet, does not have the required entry qualifications to go direct to University.

The course is full time where you maybe able to top up your qualifications to make an application through UCAS to progress onto the first year of a Nursing degree or onto HNC Healthcare Practice which could lead to an Allied Health Profession related degree.

The course includes:

Communication NC, Literature 1 (Equivalent of Higher English); Numeracy; Foundations of care practice; Medical Terminology and Practical Skills; Biology (Higher Human Biology units); First Aid; Mental Health Care.

The course also has experience in a healthcare working environment.
