Nursing

Queen Margaret University

Content

The four-year BSc (Hons) in Nursing course will prepare you with the knowledge, skills and leadership qualities for a successful and rewarding career in nursing. On completion, you will be eligible to apply for registration with the Nursing and Midwifery Council (NMC) as a registered Adult Nurse.

As a nurse, you will be at the forefront of healthcare, meeting a broad range of people who truly need your expertise and empathy. Nurses are involved in promoting health and preventing illness in addition to caring for sick and dying people. This can take place in a variety of environments, including health centres, homes, residential/care homes, and hospitals. A career in nursing can take you into leadership and management, education and research, both at home and overseas. Wherever you choose to specialise in the future, as a nurse, you will be an advocate for the people in your care. You will make a difference.

Start Date

September

Qualification

Degree
