

Maths (National 5)

UHI Moray

Venues

Main campus

Content

National 5 Maths is increasingly recognised as the entry requirement for many institutions offering Teacher Training courses, Health and Social Care Service courses, as well as employers such as the Police, Emergency Services and the Armed Services.

This course will provide you with a good foundation for progression to Higher Maths, which is a requirement for many university courses. It will strengthen your confidence when working with calculations and help you understand how the world around you works.

Content includes:

Numeracy; Algebra; Geometry; Trigonometry; Statistics.

Start Date

September

Qualification

National 5

Study Method

Part time (day)

Course Length

1 year
