

Accounting and Finance

Robert Gordon University

Content

On this course you will engage in business connected learning through accounting modules taught by experienced qualified accountants, with regular input from professional firms. In addition our focus on professional ethics and the role of accountants in society means you will graduate knowing how you can make a positive impact in your future career.

Unique among Accounting and Finance courses in Scotland, in Year 3 you will have the opportunity to undertake a year long, paid work placement. Placements are typically in an Accounting or Finance position within a professional accounting firm or the accounting or finance department of a larger organisation.

This course is fully accredited by the Institute of Chartered Accountants of Scotland (ICAS), the Association of Chartered Certified Accountants (ACCA) and the Chartered Institute of Management Accountants (CIMA), giving our graduates the potential of an accelerated path to professional qualification.
