

Engineering (PDA)

University of the Highlands and Islands (UHI)

Venues

UHI Moray

Content

This PDA Engineering (SCQF level 7) is ideal if you have recently left school or college, or are currently in employment, and wish to obtain a formal qualification to enhance your engineering knowledge. The units will enable you to gain the practical and inter-personal skills needed to work successfully within the engineering sector and as part of the 21st century economy.

You will study the following core modules:

Pneumatics and hydraulics; Thermofluids; Engineering measurement and system monitoring; Materials selection.

Start Date

September

Qualification

Other

Study Method

Part time (day)

Course Length

1 year

Department

Engineering, Construction and Technology

Entry Requirements

Entry is at the discretion of the centre, however it is recommended that you should have experience of Engineering Science, or Physics, and Mathematics at National 5 as a minimum.

SCQF Level

7

SCQF Points

«SCQFPoints»

Progression Routes
