

## Engineering (PDA)

University of the Highlands and Islands (UHI)

### Venues

UHI Moray  
Virtual Learning Environment (VLE)

### Content

This PDA Engineering (SCQF level 7) is ideal if you have recently left school or college, or are currently in employment, and wish to obtain a formal qualification to enhance your engineering knowledge. The units will enable you to gain the practical and inter-personal skills needed to work successfully within the engineering sector and as part of the 21st century economy.

You will study the following core modules:

Pneumatics and hydraulics; Thermofluids; Engineering measurement and system monitoring; Materials selection.

### Start Date

September

### Qualification

Other

### Study Method

Part time (day)

### UCAS Code

201H

### Course Length

1 year

### Department

Engineering, Construction and Technology

### Entry Requirements

Entry is at the discretion of the centre, however it is recommended that you should have experience of Engineering Science, or Physics, and Mathematics at National 5 as a minimum.

### SCQF Level

7

## SCQF Points

«SCQFPoints»

## Progression Routes

HNC, HND or degree level study.

## Combination Courses
