Business Management

Fife College

Venues

Dunfermline City Campus

Content

On this course you will gain a detailed knowledge of the critical challenges and current thinking in business and, in particular, the challenges of decision-making and of managing people effectively in large and complex organisations. You will also develop your skills in managing both your own performance and that of others. This degree course is delivered at Fife College in partnership with Abertay University and you will graduate with a degree awarded by Abertay University once successfully completed.

You will study:
Business ethics in society; Operations management and business redesign; International business and management; Contemporary issues in business; Strategic management; Managing transformational change.
