

ESOL Gateway to Science and Health

Glasgow Clyde College

Venues

Cardonald Campus

Content

ESOL Gateway to Science and Health could be for you if you are interested in science. Do you want to work in science or health? Do you already have a good level of English?

Designed for students moving from ESOL study into mainstream college courses, ESOL Gateway to Science and Health aims to improve your confidence levels, help you get key qualifications, give you access to career guidance and employment opportunities, and highlight future learning opportunities at the College.

Please note: this is not an ESOL Programme.
