

Occupational Safety and Health

University of the West of Scotland

Venues

Lanarkshire Campus

Content

UWS's BSc (Hons) Occupational Safety & Health is professionally-accredited by the Institution of Occupational Safety and Health (IOSH) and is designed to provide you with the skills and knowledge to lead and manage health and safety in the workplace.

You'll study a range of topics appropriate to modern approaches to occupational health and safety, including legal systems; safety management systems; risk assessment; risk reduction; risk control techniques; fostering a safe and healthy work culture in the workforce; environmental management; and health and wellbeing.

On completion of this programme you will be eligible to apply for membership of the Institution of Occupational Safety and Health (Grad IOSH). The IOSH membership grade awarded will be dependent on your qualifications and work experience.

Progression Routes

Upon successful completion of the BSc Hons programme, students can apply to the Institution of Occupational Safety and Health to become a graduate member of IOSH and could therefore, on acceptance, use the designatory letters Grad IOSH. This category denotes those who are academically qualified to become Chartered Members, but are currently completing a mandatory IPD/CPD cycle.
