

Childhood Practice

Dundee and Angus College

Venues

Arbroath Campus
Gardyne Campus

Content

This Course provides a broad-based study of the range of topics, both theory and practice based, related to early learning and childcare.

Learners are provided with opportunities to learn about supporting children's development, promoting children's rights, planning effective play experiences, and promoting an inclusive curriculum. Learners will be afforded the opportunity to progress their knowledge, skills and understanding of the roles of professionals and services who can support children and families and enhance their personal development.

There will be opportunities for experiential learning and an opportunity to complete a work placement in a suitable setting.

Start Date

August

Qualification

NC

Study Method

Full time
