

Motor Vehicle Engineering (Level 1)

Dundee and Angus College

Venues

Arbroath Campus
Kingsway Campus

Content

This qualification consists of a combination of units from Health and Safety practices, Foundation Skills, Personal Social Development (PSD), and Mechanical covering various types of vehicles including light vehicles, plus additional unit groups. This general route for Transport Maintenance allows learners to have the flexibility to develop their knowledge and skills across a variety of specialist areas to prepare them for further studies and potentially enter into a job role they desire.

Start Date
