Development Programme 2 (Level 2)

City of Glasgow College

Venues

City Campus

Content

A course designed for students with additional support needs who are interested in developing skills for independence and employability. This is a two-year program which is particularly suited to applicants who plan to progress onto other college courses, training and employment.

The Development program is a personal and social development course which builds on core skills such as literacy, numeracy and ICT while exploring vocational contexts such as employability, practical cookery and project work.

Start Date

August
